

SNOWMAN NOSE

1. On the paper side of fusible web, trace the nose shape with a pencil.
2. Cut around the shape at least 1/8" from the traced line.
3. Iron to the wrong side of the fabric. *The white and red tiny scallop print was used for the sample quilt. SKU #55667 11.*
4. Cut out on the traced line and peel off the paper backing.
5. Iron to the snowman face and machine stitch 1/8" from the edges.
